FUTURE MEETINGS

REGISTER NOW TO ATTEND THE RDD EUROPE 2011 SCIENTIFIC CONFERENCE TO BE HELD MAY 3-6, IN BERLIN, GERMANY

Louveciennes - France – November 25th, 2010 – The Respiratory Drug Delivery (RDD®) Europe 2011 scientific conference will welcome pulmonary and nasal drug delivery experts from all over the world to Berlin, Germany, May 3-6, 2011. The joint organizers of this prestigious event, RDD Online® and Aptar Pharma, today announce the opening of registration at www.rddonline.com/rddeurope2011.

RDD conferences take place in Europe and the USA in alternate years and are widely regarded as the premier venue for presenting up to date pulmonary and nasal delivery advances. RDD Europe 2009 was held in Lisbon, Portugal, and brought together approximately 450 pulmonary and nasal drug delivery experts from across Europe (70%), the United States (22%) and the rest of the world (8%).

RDD Europe 2011 is expected to attract high level academic, industrial and regulatory scientists involved in the research, development, investigation, and marketing of existing and new therapeutic medicines delivered through the lungs or nose.

This year topics and debates will emphasize 'Drug Development Challenges – New Drugs, Formulations and Devices,' 'Science in Product Development : Advances in Processing, Formulation and Characterization,' 'LABA and LABA-ICS Post-market Trial Design', 'Comprehending Drug Delivery through Advanced Imaging' and 'Debating Efficient Data Analysis Methods for Abbreviated Impactor Measurements'.

Immediately following the RDD Europe 2011, a coordinated conference hosted by the International Pharmaceutical Aerosol Consortium on Regulation and Science (IPAC-RS) will address several 'Perspectives on Efficient Data Analysis Methods and Abbreviated Impactor Measurements as Quality Assessment Tools.'

RDD conferences highlight innovative research contributions through podium and scientific poster sessions, augmented by technical interactive workshops from vendors and service providers in the industry. RDD Europe 2011 also features a high-profile technology exhibition showing the latest technologies and equipment used in this exciting field.

Global reaction to RDD Europe conferences has been extremely positive. Here's what attendees had to say about RDD Europe 2009:

"This was the best meeting about drug delivery to the lungs I have ever attended!"

"The programme was excellent! RDD goes from strength to strength and able to keep momentum!"

"It was a very successful event and we look forward to the next event. On to RDD Europe 2011 we go!"

All previous RDD Europe events have been over-subscribed **so early registration is strongly recommended.** Further details on RDD Europe 2011, as well as registration information, are available now at www.rddonline.com/rddeurope2011.
